I will request they remove the word "acting" from the signature block. Not sure when they obtained this template.

Proposed edit of Klaus' text:

"To honor the special achievement of Rudolf Thom for his leadership in introducing the Clean Diesel to the United States, EPA presents the first
BLUETEC II Certificate of Conformity

Only valid on November 13, 2007 for Rudolf Thom"

Klaus talked to me about this at their BlueTec event in AA. I told him it sounded OK to me. Are you OK with signing this (your signature stamp on the document we print here) to be presented by MB staff to Rudi on Nov 13th?
